ASSIGNMENT FOLIO

We take this opportunity to express our sincere gratitude to Dezyne École College for providing us with the knowledge, resources, and guidance essential to the successful completion of this project.

Our deepest thanks to our respected Principal, Dr. Vinita Mathur, for her visionary leadership and continuous encouragement. Her commitment to academic excellence and student growth has been a constant source of motivation and pride.

We are equally thankful to all our faculty members for their consistent support, expert advice, and valuable insights that shaped our learning and helped us achieve this milestone.

Lastly, we extend heartfelt thanks to everyone who directly or indirectly contributed to the success of this project.

We are proud to be part of Dezyne École College, an institution that truly nurtures professionalism, innovation, and purpose.

With sincere appreciation,

Tejasvi Maheshwari

Meta Ads Platform-Overview

Reach the Right People

 Ads Manager

Reach the right people with Ads Manager

Help your business grow with Ads Manager, our most powerful ads tool.

Get set up to advertise

We'll ask for information that helps us understand more about your business.

Start creating your first ad

We'll suggest the best way to set up a campaign for your first ad.

[Get started](#)

① Do you need to create a business portfolio first?

A business portfolio brings your Facebook Pages, Instagram profiles and the people who work on them together. This may be the right choice if you need to:

- Manage multiple businesses in one place or have a team with multiple people
- Use more than one Meta Pixel
- Add a catalog for online sales or use advanced tools like Shops

Summer is calling. ☀️ But your water doesn't have to feel the heat.

The Rajasthan summer can be intense. That's why THARCOOL is designed with the climate in mind — bringing together thoughtful construction, protection, and a design made for modern water storage.

Because a water tank shouldn't just store water. It should be built for the environment around it.
